

# The Social

# Space

Our kitchen is open 9.30 am - 2.00 pm on Wednesday - Sundays, with lunch served from 12.00 - 1.00 pm. Come by and share a coffee, muffin or a hearty, nutritious meal under the tree. We believe food should be shared with friends, and we offer a beautiful space to meet your neighbours, and broader community members.

We have an op shop and community garden onsite, as well as a laundry that will be operational soon.

## TAKE WHAT YOU NEED, PAY WHAT YOU CAN

In a world where food and housing security is uncertain, we are a mutual aid group focused on building a resilient community. We run off donations, but first and foremost we are there to provide lunch, coffee and clothing - there's no obligation to give.

We are always grateful for more volunteers, so if you have any interest/skills in gardening, organising/sorting clothes and cookware, cooking, groundskeeping or general cleaning, send us a message or visit the kitchen, we are excited to meet you.

## COMMUNITY CONSULTATION SESSION

We want to host a small community day in late October when our beautiful Jacaranda tree is flowering. Currently, we are thinking of inviting some local musicians to perform, facilitating a clothing swap between members of the community, and running various workshops where artists and anyone with a particular skill or interest can share with their neighbours.

You're invited to attend a meeting at The Moorooka Social Space on Thursday 8th September at 6pm to discuss and envision our Jacaranda Fete. We would love to do this closely and collaboratively with our neighbours. A vegetarian dinner will be provided. Please contact Liz on 0410923262 to RSVP or ask any questions.
